

Quite a hike

DAVID SANDELL/THE CAPITAL TIMES

Madison's Jason Dorgan takes a break Sunday near the start of the Military Ridge Trail in Verona. And a well-deserved break it was. Dorgan is attempting to run/hike the length of the 1,079-mile Ice Age Trail in 23 days to raise awareness and money for the trail. He started April 14 in St. Croix Falls and plans to finish this weekend in Door County. Dorgan's quest is part hike, part run — 618 miles of the route are on trails, 461 are on roads. You can follow his adventure at www.iceagetrail1000.com.
